O R D E R :

The case of the petitioner is that he has been in possession and enjoyment of the land in an extent of 410 sq.yards in survey no.129 of Vadlapudi village, Gajuwaka Municipality of Visakhapatnam, bearing D.No.27-8-131. The said house is a small dwelling house and house number was also assigned to it.

It is stated that as per the Government orders in G.O.Ms.No.1601, dated 29-8-2005, the Government decided to assign the encroachments, encroached by way of dwelling house over the Government land.

It is stated that the petitioner encroached the Government land and erected dwelling house, and therefore, he is entitled for regularization as per the said G.O.

It is stated that the petitioner filed an application on 16-1-2005 seeking regularization of the said dwelling house before the concerned authority. I do not see any acknowledgment of receipt of filing of the said application of the petitioner.

However, having regard to the facts and circumstances, the petitioner is directed to file a fresh application in continuation of the earlier application before the competent authority, if any such application is filed and the same may be considered and disposed of
